Michigan State Forest Campgrounds

If you're looking for a rustic camping experience, with plenty of space between campsites, the 145 state forest campgrounds are for you. Located throughout Michigan's northern Lower Peninsula and Upper Peninsula, the state forest campgrounds provide over 3,000 campsites in the nearly 4-million acre state forest.

Every campground is located on a river or lake, providing excellent access to fishing, boating and canoeing. Over 60 campgrounds have nearby pathways for non-motorized trail recreation, such as hiking, biking, cross country skiing, horseback riding, and nature observation. The campgrounds also are the base for other recreation opportunities including picnicking, mushroom gathering, berry picking, and hunting.

Accommodations range from five to 50 campsites, with group sites available. All campgrounds have vault toilets and potable water from hand pumps. Some sites are so remote they only can be reached by a determined hike through picturesque woods or by paddling down a scenic river.
